Dear Dr. McAllister:

On behalf of the Planning Committee and the staff and faculty of the Markey Cancer Center, I would like to express our sincere appreciation for your support of the 3rd Annual Markey Cancer Center Symposium in the amount of $2,000. This very timely contribution will help to assure that we will have the highest quality program. Dr. Gerald Murphy, our first-choice as keynote speaker, has accepted the invitation to speak and all other program plans are moving ahead rapidly.

The funds provided by the Council for Tobacco Research will be used to help cover expenses for the keynote speaker as well as expenses for general program promotion and execution. In keeping with policies of the preceding two symposia, industrial sector participants will pay full registration, in addition to supplemental program co-sponsorship as most appropriate. We will be delighted to hold in reserve a registration slot for attendance by a representative from the Council for Tobacco Research.

Again, your generous support and your prompt response to our request are very greatly appreciated! We look forward to a very productive conference.

Sincerely yours,

Lewis A. Kelly
